Author and UFO investigator Linda Zimmermann, author of over 30 books (who is also a paranormal investigator who specializes in the Hudson Valley) will visit to speak to us about *visitors* to the Hudson Valley. Linda has written two UFO books, "Hudson Valley UFOs" and "In the Night Sky," which was also made into an award-winning documentary of the same name. Her research has led her to believe that the Hudson Valley is the #1 hotspot for UFO activity in the country, and her presentation will illustrate over 100 years of sightings. Wow! What a great night!
