AFTERNOON OF BLUEBIRDS!

The Putnam Highlands Audubon Society is sponsoring a free family program on Bluebirds. Sandy Morrissey, from the Bronx River Sound Shore Audubon Society, will instruct us on how to attract, build, maintain, position, and monitor Bluebird nest boxes with nesting success! Sandy will have a question and answer session after her program.

Bluebirds arrive in our area very early in the spring, looking for places to raise their young. To help our feathered friends, there will be Bluebird nest boxes for sale. The cost of the Bluebird boxes will be \$20. They can be taken home and installed in place before the Bluebirds arrive in the spring!
